

Treasure Box

Items Needed:

Faultless Liquid Starch

Paper box (such as a shoe box) any size

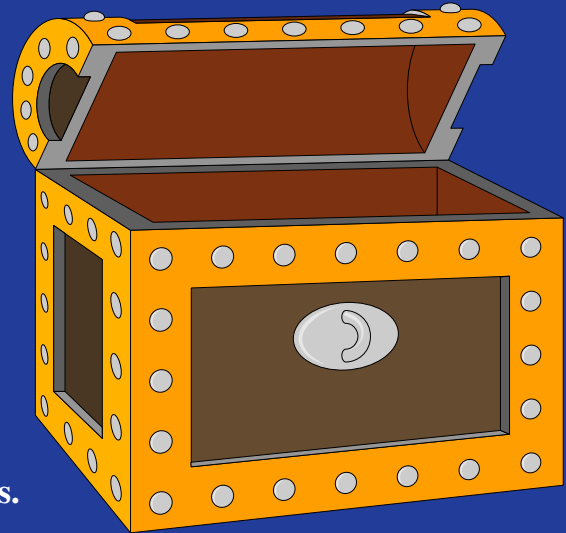

Colored tissue paper

Cut-out pictures from magazines (optional)

Waxed paper

Paint brush

1. Tear tissue paper or pictures into small pieces.
2. Paint the box with Faultless Liquid Starch.
3. Arrange the paper (and pictures if you're using them) randomly on the box with your fingers. Overlap to create different color effects.
4. After the container is covered, apply another layer of Faultless Starch all over the box.
5. Allow the box to dry overnight on waxed paper.
6. If desired, decorate with ribbon, flowers or silk for a different look.

Faultless Starch
