

## ***Sof-Touch***

### Sof-Touch

Advanced and proven Wetclean™ technology for the most fragile garments; Acid side Detergency provides added safety for gentle and safe cleaning of most silks\* and other tender garments - including most Wedding Dresses\*! Formulated conditioning agents to reduce friction and retain the "Dry Clean" feel and ease of finishing. If it likes water - it will LOVE Sof Touch!

(\*always test garment and trim for water durability and colorfastness).
